ADDENDUM 1
ITB #26-017 Purchase of Produce Items

April 10, 2026

Dear Vendors,

The following question has been asked concerning Invitation to Bid 26-017:

1. Historically, the delivery day for produce has been Monday. I noticed, however, on page 17, item 16, b, it now says Monday through Friday. Will you please clarify what day or days they will accept deliveries for produce?

Answer: Deliveries shall primarily occur on Mondays. The District reserves the right to approve alternative delivery days as necessary due to holidays, inclement weather, virtual learning days, or other operational disruptions. Any vendor-initiated changes to delivery dates must receive prior approval from the District.

Thanks,
