February 5, 2024

Dear Vendors,

The following questions were received by the Purchasing Department for ITB #25-009 Purchase and Installation of Playground Surface Material:

1. Is there a paved location nearby that we could use as a laydown yard to unload tractor-trailer loads of mulch? After the mulch is delivered, we would have our trucks blow the mulch into the desired playgrounds.

**Answer:** The District does not provide a location to unload the mulch.

2. We noticed that the bid checklist referred to wood mulch. Would you be open to using rubber mulch instead?

**Answer:** The District will not accept rubber mulch.

3. What is the estimated budget?

**Answer:** The estimated budget for this project \$175,000.
