ADDENDUM 1
Bid #27-002 Purchase of Musical Instruments

August 18, 2026

Dear Vendors,

The Purchasing Department received the following questions concerning ITB 27-002 Purchase of Musical Instruments.

1. Does MCSD require the awarded vendor to provide local after-sale service, warranty repair, maintenance, or on-site technical support for musical instruments?
Answer: No. MCSD will not require the awarded vendor to provide local after-sales service, warranty repair services, routine maintenance, or on-site technical support for musical instruments.
2. Alternatively, would the manufacturer's standard warranty, together with service provided through the manufacturer's authorized dealer or service network, satisfy MCSD's after-sale support requirement?
Answer: Yes. The manufacturer's standard warranty, together with after-sales service provided through the manufacturer's authorized dealer or service network, will satisfy MCSD's after-sales support requirements.
3. It was brought to our attention from the Wenger Corporation that they no longer manufacturer the Roughneck stand.
Answer: The Roughneck stand has been replaced by the Endur Music Stand, SKU #038B500.
