February 19, 2026

Dear Vendors,

This notice serves to formally cancel the above-referenced Invitation to Bid (ITB), effective immediately.

Due to the significant number of questions and requests for clarification received during the solicitation period, the Purchasing Department has determined that additional research, review, and potential revisions to the bid documents are necessary to ensure clarity, fairness, and completeness of the requirements.

At this time, we do not have a projected date for reissuance of the ITB. The review process may require an extended period to properly address all questions. A new Invitation to Bid will be issued at a future date.

We ask vendors to continue submitting any additional questions in writing to Aileen Arrighi at [Arrighi.Aileen@muscogee.k12.ga.us](mailto:Arrighi.Aileen@muscogee.k12.ga.us).

We appreciate your interest in this invitation to bid and your patience as we work to improve and clarify the solicitation documents.

Thank you.
