February 14, 2024

Dear Vendors,

The following questions were received by the Purchasing Department for ITB #24-016 Sale of Surplus Textbooks:

1. Can you confirm whether the “price per ton” is something we’re charging you or something we are paying you?

**Answer:** Vendors should quote a total price for the complete batch of surplus books, including pickup, to be paid to the Muscogee County School District.

2. Please provide the size of the pallets.

**Answer:** The size of the pallets is 48” L x 40” W x 53” H

Note: The correct quantity of the pallets is 36 pallets and 200 lbs per pallet. Below are two pictures showing how the books are packed on the pallets.
