

Muscogee County School District Columbus, Georgia

Jerrell D. Rumph
Senior Buyer

ADDENDUM 1 **ITB #26-016 Purchase of Surplus Vehicles**

March 16, 2026

Dear Vendors,

The following questions have been asked concerning Invitation to Bid 26-016:

1. The price listed on the quote sheet are they the lowest MCSD is willing to go?

Answer: The prices listed on the bid sheet represent the researched and recommended bid amounts on available data and evaluation at the time of preparation. These figures are intended to serve as a guideline to assist bidders in understanding the expected pricing range for the items or services requested. However, the District recognizes that vendors may have different cost structures, sourcing options, or market insights. Therefore, the District will allow vendors to submit an alternate bid amount, provided the amount is reasonable, properly justified if requested. And remains consistent with the scope, specifications, and quality requirements outlined in the bid documents.

2. Do you have the weights for each vehicle?

Answer: No, MCSD does not have that information available.
