MUSCOGEE COUNTY SCHOOL DISTRICT  
INVITATION TO BID 24-006  
PURCHASE OF LARGE EQUIPMENT FOR SCHOOL NUTRITION PROGRAM

Georgia law at OCGA s 20-2-506 contains very specific provisions regarding the limited authority of school boards to enter into contracts whose terms could financially obligate future boards of education. Boilerplate or standard termination clauses, therefore, are often problematic for the MCSD. A board of education cannot unreasonably financially obligate a future board of education. The terms of the law will be summarized below, as a thorough discussion of the requirements is outside of the scope of this document.

Under certain conditions, school systems may enter into a multi-year lease, purchase, or lease-purchase contracts, and these contracts may be used to acquire construction project sites or buildings, or for other purposes. Each such contract must terminate at the end of the calendar year in which the contract was entered into, and at the end of each succeeding calendar year. The contract may provide that it shall be automatically renewed for each successive year unless the school system takes affirmative steps to terminate the contract. The contract must contain a clear statement of the school system's total financial obligation for the original and each succeeding calendar year. Except for guaranteed energy savings contracts, the total value of all such contracts for any calendar year may not exceed 7.5 percent of the total local revenue collected in the most recently completed fiscal year. Failure to comply with the specific requirements of the code section can make the contract void.

7. RESPONSE, INTERPRETATION, AND COMMUNICATION

- A. Response shall be on the bid forms provided only.
- B. Bids received after the stated due date and time will not be accepted.
- C. If you do not wish to bid, respond with "No Bid" and give a reason for this response.
- D. If a bidder contemplating submitting a price quotation is in doubt as to the true meaning of any part of these documents or knows of an error, submit a request for interpretation to the Director of Purchasing and Supply Management 706-748-2349.
- E. Communication about this active bid should not be made with any employee of the MCSD except the Buyer or the Director of Purchasing and Supply Management.
- F. Procedures for formal protests of bids are available at [www.muscogee.k12.ga.us](http://www.muscogee.k12.ga.us) > Vendors > Additional Information.

Delivery shall be made within the vendor's quoted days after receipt of the order. Any item(s) not delivered within the time limit may be canceled by the school district at no expense to the same.
- B. **Coordination:** Successful vendor shall liaison with the School Nutrition Program to schedule deliveries, installations, and where necessary, removal of old equipment. A site visit may be required to verify all site conditions which include, but are not limited to, measurements, electrical, and plumbing connections. Under no circumstances shall any delivery be attempted before proper clearance has been obtained. All deliveries should be coordinated with the MCSD School Nutrition Director. To minimize interruption of normal cafeteria operation, the removal of old equipment shall be disposed of by the awarded vendor. The vendor shall install the new unit on the same day. Under no condition is the vendor to use any bin or trash container on the school's site to dispose of such items.
- C. **Installation:** The winning bidder shall be responsible for unloading, uncrating, setting in place, removal of debris, and making ready for operation, including removal of old equipment. Installation includes the complete installation of electrical lines, water lines, gas lines, and drain lines within four (4) feet of the equipment.

Payment shall be approved upon receipt, inspection, and acceptance of the materials at the destination and receipt of proper itemized invoices. The District has determined issuing payments electronically is the preferred method of payment. The District reserves the right to remit payments using an electronic method in lieu of issuing a check at no additional cost to the District. Payment of interest / late fees is prohibited by the gratuities clause of the Georgia constitution. Similarly, MCSD cannot enter into an agreement that requires it to pay attorney's fees or goods/services not priced in the contract or authorizes the payment of unknown/unspecified cost increases that cannot be calculated.
14. **BID RECAP** A bid summary shall be sent to all participating vendors.
15. **EQUAL OPPORTUNITY POLICY** Vendors shall abide by the school district's non-discrimination policy (DJED). The vendor/contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, handicap, or national origin. The vendor/contractor shall take appropriate action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, handicap, or national origin. Such action shall include, but shall not be limited to the following: employment, upgrading, demotion, transfer, recruitment, layoff, termination, rates of pay or other forms of compensation, and training. It is the further policy of the Board to ensure equal opportunity for minority-owned businesses and minority professionals with regard to all work, services, and supplies purchased by the Board and all construction projects undertaken by the Board which are competitively bid by the Board.
16. **Bond Requirements.** There will not be a bond required for this solicitation.
17. **FACILITIES** The vendor shall be responsible and liable for damage to the storage, building, and grounds areas if the vendor's employees or agents cause damage during the time of service.
18. **CERTIFICATION REGARDING NON-COLLUSION** The undersigned hereby certifies that the price(s) and amounts of this bid have been arrived at independently and without consultation, communication, or agreement with any other contractor, bidder, or potential bidder. Neither the price(s) nor the amount of this bid, and neither the approximate price(s) nor the approximate amount of this bid, have been disclosed to any other firm or person who is a bidder or potential bidder, and they will not be disclosed before bid opening. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a bid higher than this bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid. The bid is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid. The bidder, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any government agency and have not in the last three years been convicted or found liable for any act prohibited by State or Federal law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract. The bidder

19. 21. INSURANCE      The successful bidder shall supply to the school district proof of insurance for automobiles, workers' compensation, and general liability. The awarded contractor shall furnish to MCSD a current Certificate of Insurance. Insurance certificates will be reviewed by the MCSD Department of Risk Management. MCSD is a member of an interlocal risk management agency, the Georgia School Board Association (GSBA). GSBA Risk Management Services (RMS) offers protection through its group-self-insurance plans for workers' compensation, property, and liability risks. Provisions mandating the MCSD to purchase insurance, increase policy limits, or name the vendor or other third party as an additional insured party cannot be included in contracts with the MCSD. **Muscogee County School District must be shown as Additional Insured with respect to liability.** Attach a copy of the policy "Additional Insured" endorsement or state on the certificate that the policy has been specifically endorsed to provide coverage, including Defense Cost Coverage for Muscogee County School District as an Additional Insured. 22. INDEMNIFICATION / HOLD HARMLESS CLAUSE: The MCSD cannot enter into an agreement whereby it agrees to indemnify or hold harmless a vendor or other third party. This language typically looks like “agrees to hold harmless from any liability, personal injury, or property damage arising out of the performance...” There are three legal principles that come into play here. First, indemnification provisions have been held by Georgia courts to be an unauthorized attempt to waive the State’s sovereign immunity. An opinion of the Georgia Attorney General (AG) counsels that an unauthorized attempt to waive sovereign immunity through an indemnification agreement in a contract would be ultra vires and void. 1980 Op. Atty. Gen. 80-67. The Georgia Supreme Court has held that an indemnification clause is invalid where the governmental entity didn’t have express statutory authority to waive its sovereign immunity. *CSX Transp., Inc. v. City of Garden City*, 588 S.E.2d 688 (Ga. 2003). Second, an indemnification violates Georgia’s Constitutional ban on gratuities. The Georgia Constitution does not allow any donation or gratuity or forgiving of any debt owed to the public. Ga. Const. Art. III, s VI, Para VI (a). The Georgia AG has issued an opinion expressly stating that indemnification provisions are gratuitous undertakings in violation of the gratuities clause. 1980 Op. Atty. Gen. 80-67. Third, the Georgia Constitution does not allow the credit of the state to be pledged or loaned to any individual, company, corporation, or association. Ga. Const. Art. VII s IV Para VIII. The AG has opined that the constitutional debt restriction does not allow any state agency from contractually agreeing to any indemnification or “hold harmless” clause. See 1980 Op., supra. An indemnification is open-ended in nature because, at the time of contracting, neither party knows if nor when it will be triggered. As such, it violates the debt restriction.

23. FORCE MAJEURE If the Muscogee County School District, in its reasonable discretion, determines that the Force Majeure event is likely to delay the Contractor’s performance for more than thirty (30) days, the Muscogee County School District reserves the right to cancel the agreement between the parties. In that event, neither party shall have any further liability to the other, subject only to the Muscogee County School District’s obligation to pay the Contractor for work already completed by the Contractor and the Contractor’s warranty for work already completed.

24. EXCEPTIONS To take exception to a provision of this Invitation to Bid, the Bidder must clearly identify the BID EXCEPTION when submitting the bid.

25. CONFIDENTIALITY:

MCSD and its student records are subject to the terms of The Family Educational Rights and Privacy Act (34 CFR § 99.33). If the vendor becomes privy to certain personally identifiable student information (“Student Information”), the vendor agrees to abide by the limitations on re-disclosure of any such

INVITATION TO BID 24-006  
PURCHASE OF LARGE EQUIPMENT FOR SCHOOL NUTRITION PROGRAM

Student Information, which constitutes an education record as defined in FERPA (34 CFR § 99.33 (a)(2)) and with the terms set forth below. 34 CFR 99.33 (a) (2) states that the officers, employees, and agents of a party that receive education record information from the MCSD may use the information, but only for the purposes for which the disclosure was made.

The parties acknowledge that such Student Information includes any paper and electronic Student Information as may be supplied by MCSD, as well as any data provided by MCSD's students to the vendor. The vendor agrees to hold any Student Information in strict confidence. The vendor shall not use or disclose any Student Information received from or on behalf of MCSD (or its students) except as permitted or required by the Sales Agreement, as required by law, or as otherwise authorized in writing by MCSD. The vendor agrees not to use any Student Information for any purpose other than the purpose for which the disclosure was made.

Upon termination, cancellation, expiration, or other conclusion of the Sales Agreement, the vendor shall return all education records or, if the return is not feasible, destroy any and all Student Information. If the vendor destroys the Student Information, the vendor shall provide MCSD with a certificate confirming the date of the destruction of the data.

If MCSD reasonably determines in good faith that the vendor has materially breached any of its obligations under this agreement, MCSD, in its sole discretion, shall have the right to require the vendor to submit to a plan of monitoring and reporting; provide the vendor with a fifteen (15) day period to cure the breach, or terminate the Sales Agreement immediately if cure is not possible. Before exercising any of these options, MCSD shall provide written notice to the vendor describing the violation and the action it intends to take. If the Family Policy Compliance Office of the U.S. Department of Education determines that the vendor improperly disclosed personally identifiable information obtained from MCSD's education records, MCSD may not allow the vendor access to education records for at least five years.

The vendor shall develop, implement, maintain and use appropriate administrative, technical, and physical security measures to preserve the confidentiality, integrity, and availability of all electronically maintained or transmitted Student Information received from, or on behalf of MCSD or its students. These measures will be extended by contract to all affiliates and subsidiaries of the vendor.

The vendor shall, within one day of discovery, report to MCSD any use or disclosure of Student Information not authorized by this agreement or in writing by MCSD. The vendor's report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the Student Information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what the vendor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action the vendor has taken or shall take to prevent future similar unauthorized use or disclosure. The vendor shall provide such other information, including a written report, as reasonably requested by MCSD.

The vendor shall defend and hold MCSD harmless from all claims, liabilities, damages, or judgments involving a third party, including MCSD's costs and attorney fees, which arise as a result of the vendor's failure to meet any of its obligations under this agreement.

26. **OPEN RECORDS ACT:** MCSD is subject to Georgia's Open Records Act at OCGA s 50-18-70, et. seq. This law allows individuals to view MCSD records [whether maintained electronically or through paper] and/or make copies unless the records are specifically exempted by the law. The law does contain specific language addressing valid trade secrets but requires specific action from the vendor to ensure confidentiality.

You are hereby notified by MCSD that it is the submitting party's obligation to indicate whether any of the information submitted to MCSD constitutes a "trade secret" as defined by law and if so, what specific information constitutes a "trade secret." The Georgia Open Records Act, as amended in April 2012, requires that any "trade secret" information be designated as such at the time it is provided to a governmental agency. The Act further indicates that a failure to make such a designation may result in a

MUSCOGEE COUNTY SCHOOL DISTRICT  
INVITATION TO BID 24-006

waiver of the right to subsequently claim that such information is confidential or otherwise protected from public disclosure.

OCGA 50-18-72 (a) (34). Specifically, OCGA 50-18-72 (a) (34) states in material part:

“(a) Public disclosure shall not be required for records that are:

(34) Any trade secrets obtained from a person or business entity that are required by law, regulation, bid, or request for proposal to be submitted to an agency. An entity submitting records containing trade secrets that wishes to keep such records confidential under this paragraph shall submit and attach to the records an affidavit affirmatively declaring that specific information in the records constitutes trade secrets pursuant to Article 27 of Chapter 1 of Title 10. If such entity attaches such an affidavit, before producing such records in response to a request under this article, the agency shall notify the entity of its intention to produce such records as set forth in this paragraph. If the agency makes a determination that the specifically identified information does not, in fact, constitute a trade secret, it shall notify the entity submitting the affidavit of its intent to disclose the information within ten days unless prohibited from doing so by an appropriate court order. In the event the entity wishes to prevent disclosure of the requested records, the entity may file an action in a superior court to obtain an order that the requested records are trade secrets exempt from disclosure. The entity filing such action shall serve the requestor with a copy of its court filing. If the agency makes a determination that the specifically identified information does constitute a trade secret, the agency shall withhold the records, and the requester may file an action in a superior court to obtain an order that the requested records are not trade secrets and are subject to disclosure;”

27. **COMPLIANCE WITH LAWS** The successful proposer shall procure all permits, bonds, and licenses, pay all charges, taxes, and fees, and give all notices necessary and incidental to the due and lawful prosecution of the work. All costs thereof shall be deemed to be included in the proposal price. The successful proposer shall, at all times, observe and comply with all Federal, State, City, and other laws, codes, ordinances, rules, and regulations in any manner affecting the conduct of the work.
28. **MCSD REQUIREMENTS-** Muscogee County School District intends to continue some school business functions during the project.

29. The vendor shall protect all buildings, trees, shrubs, lawns, and all landscape work from damage. Any damaged property shall be repaired and replaced at the vendor's expense. Additionally, the vendor shall protect all private roads, streets, and sidewalks, driveway aprons, driveways, and shall make all necessary repairs at their own expense. The Vendor shall be responsible for any damage done while operating on MCSD property. Damage must be reported within 24 hours to the School Nutrition Department. Failure to do this may result in the termination of the contract/services. Damage must be repaired or replaced within a reasonable time.
30. All items shall be quoted FOB destination, set in place, and completely installed including, but not limited to: disconnect and remove and dispose of the old appliances, furnish and connect all electric cords, gas appliances, and water lines required for operation. The vendor will verify the electrical, natural gas, and water service prior to ordering any equipment, and is responsible for all other connections. Electrical and plumbing connections at each location should match the new replacement units; however, any necessary adjustments and/or changes will be done by the District prior to the installation.

Contractor, on behalf of itself and its insurance companies, hereby waives, to the extent of any recovery under any such insurance policies, any right of subrogation that either may have. Contractor shall cause its respective insurance policies to contain endorsements evidencing such waivers of subrogation.

15. **Governing Law; Jurisdiction:** This Agreement shall be governed in all respects by the laws of the State of Georgia without regard to any conflict of laws provisions, and the parties hereto irrevocably consent to the exclusive jurisdiction and venue of the appropriate Court in Muscogee County, Georgia, for any dispute arising out of this Agreement or related to the services provided hereunder.

Terms and conditions of any Request for Proposal connected to this Agreement are hereby incorporated by reference.

17. **Non-Assignment, Non-Sub-Contracting:** Neither this Agreement nor any of the rights, interests, or obligations under this Agreement shall be assigned, in whole or in part, by operation of law or otherwise by Contractor to any person not in the employ of Contractor or any other person, entity or business without the prior written consent of the MCSD, and any purported assignment shall be null and void. Substitutions are not permitted. Contractor may not subcontract without the prior written consent of the MCSD and any such subcontract (i) shall contain a provision incorporating the terms of the Agreement and require an agreement by the sub-contractor to be bound by the terms of this Agreement, including but not limited to background and federal work authorization verification, and (ii) shall be approved as to form by MCSD prior to execution.

18. **Termination:** The MCSD may terminate the Agreement at any time and for any reason (or no reason), and without penalty, upon thirty (30) days written notice to Contractor. Further, and pursuant to O.C.G.A. § 20-2-506, in the event appropriated funds are determined no longer to exist or to be insufficient for purposes of fulfilling MCSD's obligations hereunder, the MCSD may terminate this Agreement. 19. **Hold Harmless:** To the fullest extent permitted by law, Contractor shall indemnify, defend (at Contractor's sole expense) and hold the MCSD, the Muscogee County Board of Education, its board members, and employees harmless from and against any and all claims for bodily injury or death, damage to property, demands, damages, actions, causes of action, suits, losses, judgments, obligations, and any liabilities, costs, and expenses (including, but not limited to, attorneys' fees and costs), which arise or are in any way connected with the services contemplated by Contractor under this Agreement or the actions of Contractor's officers, employees, or agents.

20. **Compliance with MCSD Policies:** Contractor and any of its employees and agents shall, at all times during the term hereof and during the performance of services hereunder, comply with MCSD policies, procedures, regulations, and directives, as modified from time to time, including but not limited to policies and procedures regarding mandatory reporting. These policies are available at <https://simbli.eboardsolutions.com/index.aspx?s=4121> and must be reviewed prior to the commencement of any work.

21. **Attorneys' Fees:** Should the MCSD be the prevailing party in any legal action with Contractor arising out of this Agreement or the services performed hereunder, then in such event, the MCSD shall be entitled to recover its reasonable attorneys' fees and costs from Contractor.

22. **Force Majeure:** Parties' obligations to perform shall be excused if rendered impossible as a result of serious illness, death, or injury, accident, fire, riot, pandemic, or other manifestation of civil disorder; an act, rule, or regulation of any public authority or Court of competent jurisdiction; and/or an act of God, or any other event completely beyond the reasonable control of either party. Either party may terminate this agreement with no further obligation or liability if a Force Majeure Event causes substantial interruption or continues substantially uninterrupted for a period of thirty (30) days or more.

Contractor agrees that there is no obligation on the part of MCSD to pay for any goods not provided or services not rendered regardless of whether the failure to provide such goods or services was the result of a Force Majeure/Act of God

23. **Sovereign Immunity:** MCSD is a state agency and may not waive its Sovereign Immunity or agree to indemnify or hold harmless another party. The only liability MCSD may incur is that which is expressly provided for by Georgia law and is not enlarged by this Agreement.

24. **Disclosures:** Contractor will disclose to MCSD the existence of any actions, suits, proceedings, claims or disputes, pending or threatened or contemplated, at law, in equity, in arbitration or before any Governmental or Regulatory Agency, whether under current business name or designation or a prior business name or designation. Traffic and parking citations do not need to be disclosed. This disclosure will be made prior to any performance under the Agreement.

25. **Background Investigation:** MCSD requires a criminal background investigation of Contractor's personnel that may provide services on MCSD property. Contractor represents and warrants that it shall not assign personnel to any task under this Agreement if that individual's background check does not satisfy the current expectations and requirements of the MCSD Division of Human Resources. Contractor further warrants that if an individual's status changes due to an arrest or any other legal action, Contractor will immediately notify MCSD's Division of Human Resources to collaborate on the response. MCSD background check requirements include a criminal background check that includes fingerprinting.

26. **Non-Collusion:** Contractor certifies that its proposal, bid or offer is made without any prior understanding, agreement, or connection with any corporation, firm or person submitting a proposal, bid or offer for the same materials, supplies or equipment, and is in all respect fair and without collusion or fraud. Contractor understands and acknowledges that collusive bidding is a violation of Federal and/or state law and can result in fines, prison sentences and civil damage awards.

27. **MCSD Right to Remove:** MCSD reserves the right to immediately remove any individual from its premises; Contractor agrees that this provision applies to its employees and agents. Contractor agrees to abide the wishes of MCSD should the MCSD determine that any employee or agent of Contractor should not work pursuant to this Agreement. MCSD will be reasonable in the enforcement of this provision, however, final authority as to who may enter MCSD property rests with MCSD.

28. **Records, Information, Confidentiality, and Cyber Security:**

a) **Retention** – Contractor shall retain all its internal books, records, and documents related to this Agreement in accordance with generally accepted accounting principles and procedures – which shall sufficiently and properly document and calculate all charges billed to the MCSD during the term of the Agreement – for a period of at least five (5) years following the date of final payment hereunder or the completion of any audit, whichever is later. Records to be maintained include both financial records and service records.

Contractor shall not impose a charge for audit or examination of Contractor's books and records and, if an audit discloses incorrect billings or improprieties, the MCSD reserves the right to charge Contractor for the cost of the audit and any other appropriate reimbursements.

c) **Confidentiality** – Contractor may have access to confidential information maintained by MCSD or access to MCSD computers, hardware, software programs, and / or information technology infrastructure or hard copy data or records, where such access is needed to carry out Contractor's duties; Contractor shall presume all information received is confidential unless otherwise designated by the MCSD and Contractor will implement and maintain an information security program to safeguard any such information received. Access shall be terminated at the sole discretion of the MCSD. Contractor shall notify the MCSD immediately if it suspects abuse or misuse of such access. No confidential information shall be disseminated except as authorized by law and with the prior written consent of the MCSD, either during the period of the Agreement or at any time thereafter. Any information supplied to Contractor shall be considered the property of the MCSD. Contractor must return any and all data collected, maintained, created, or used, in whatever form it is maintained, within a reasonable time from the request of the MCSD. Contractor shall take commercially reasonable measures to protect the security of confidential information both during the Agreement and thereafter. Contractor shall immediately notify MCSD where it has reasonable cause to believe there has been or may be an unauthorized disclosure of confidential information, whether intentional or accidental, including in the event of a cybersecurity attack or electronic breach of security. Contractor shall notify MCSD prior to or immediately upon termination or resignation of an employee or agent of Contractor that has or has had access to MCSD software platforms or data in order that MCSD may terminate that individual's ability to access MCSD software or data.
