October 10, 2025

Dear Vendors,

The Purchasing Department received the following question concerning ITB 26-006 Purchase of Large Equipment for School Nutrition Program:

1. I was hoping to see if there was a list of the different schools and what equipment is going into which school. This will help coordinate with our installation team.

Answer: Attached is the list of schools.

MCSD will not be able to provide a list of what equipment goes to each school. Per the bid specifications, the equipment will be ordered on an as-needed basis.
