6. Award this bid to the vendor who in the school district's opinion is most responsive and responsible, and will perform in the best interest of the Muscogee County School District

 - D. The vendor may give quotations on any one or more items and may offer alternates where indicated. No substitutes will be accepted once the order is placed.
3. **PRICES** Unit and total prices quoted shall include all charges related to performing the services at the destination(s). The District is exempt from state sales tax. Bid prices shall exclude Federal or State taxes that can be eliminated in sales to public school systems in the State of Georgia.
4. **OTHER GOVERNMENT ENTITIES** Other government entities, including Chattahoochee, Marion, Harris, and Webster Counties will be allowed to piggyback off this annual contract to the extent allowed by their local policies. 6. **TRADE NAME** Suppliers are required to indicate the brand name and model of merchandise quote. Brand names and models listed in the specifications are used as a standard of quality and are not meant to limit competition.
7. **NO ASSIGNMENT, DELEGATION, OR SUBCONTRACT WITHOUT DISTRICT CONSENT** Except as may be specifically permitted, vendor shall not delegate, subcontract, assign, or otherwise permit anyone other than vendor personnel to perform any of the work and/or provide any of the services required of vendor under this contract, or assign any of its rights or obligations hereunder, without the prior written consent of the Muscogee County School District, which consent may be withheld by the Muscogee County School District in its sole discretion.
8. **CONTRACT PERIOD** The contract period shall cover the period August 1, 2025 through July 31, 2026. Prices shall remain firm and fixed throughout the contract period. In compliance with State of Georgia law, O.C.G.A. 20-2-506, the contract shall terminate absolutely and without further obligation at the close of the calendar year. The Board may renew the contract in one-year increments, not to exceed a total of three years.

Georgia law at OCGA s 20-2-506 contains very specific provisions regarding the limited authority of school boards to enter into contracts whose terms could financially obligate future boards of education. Boilerplate or standard termination clauses, therefore, are often problematic for the MCSDD. A board of education cannot unreasonably financially obligate a future board of education. The terms of the law will be summarized below, as a thorough discussion of the requirements is outside of the scope of this document.

Under certain conditions, school systems may enter into multi-year lease, purchase, or lease-purchase contracts, and these contracts may be used to acquire construction project sites or buildings, or for other purposes. Each such contract must terminate at the end of the calendar year in which the contract was entered into, and at the end of each succeeding calendar year. The contract may provide that it shall be automatically renewed for each successive year unless the school system takes affirmative steps to terminate the contract. The contract must contain a clear statement of the school system's total financial obligation for the original and each succeeding calendar year. Except for guaranteed energy savings contracts, the total value of all such contracts for any calendar year may not exceed 7.5 percent of the total local revenue collected in the most recently completed fiscal year. Failure to comply with the specific requirements of the code section can make the contract void.
9. **RESPONSE, INTERPRETATION, AND COMMUNICATION**
 - A. Response shall be on the bid forms provided only.
 - B. Bids received after the stated due date and time will not be accepted.
 - C. If you do not wish to bid, respond with "No Bid" and give a reason for this response.
 - D. If a bidder contemplating submitting a price quotation is in doubt as to the true meaning of any part

Any item(s) not delivered within the time limit may be canceled by the school district at no expense to the same. **All products must be delivered on a company truck, not Less than Truckload (LTL) or a third-party delivery company**
11. INSPECTION All articles shall be subject to inspection after arrival at destination. If any item is found to be defective or otherwise not conforming to the specifications, the school district shall have the right to reject the product and return it at the sellers' expense.

13. PAYMENT The payment terms for the District are Net 30. Payment shall be approved upon receipt, inspection, and acceptance of the materials at destination and receipt of proper itemized invoices. The District has determined issuing payments electronically is the preferred method of payment. The District reserves the right to remit payments using an electronic method in lieu of issuing a check at no additional cost to the District. Payment of interest / late fees is prohibited by the gratuities clause of the Georgia constitution. Similarly, MCSD cannot enter into an agreement that requires it to pay attorney's fees or goods/services not priced in the contract or authorizes the payment of unknown/unspecified cost increases that cannot be calculated.
14. BID RECAP A bid summary shall be sent to all participating vendors.
15. EQUAL OPPORTUNITY POLICY Vendors shall abide by the school district's non-discrimination policy (DJED). The vendor/contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, handicap, or national origin. The vendor/contractor shall take appropriate action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, handicap, or national origin. Such action shall include, but shall not be limited to the following: employment, upgrading, demotion, transfer, recruitment, layoff, termination, rates of pay or other forms of compensation, and training. It is the further policy of the Board to ensure equal opportunity for minority-owned businesses and minority professionals with regard to all work, services, and supplies purchased by the Board and all construction projects undertaken by the Board which are competitively bid by the Board.
16. Bond Requirements. No bond is required for this bid.
17. FACILITIES The vendor shall be responsible and liable for damage to the storage, building, and grounds areas if the vendor's employees or agents cause damage during the time of service.
18. CERTIFICATION REGARDING NON-COLLUSION The undersigned hereby certifies that the price(s) and amounts of this bid have been arrived at independently and without consultation, communication, or agreement with any other contractor, bidder, or potential bidder. Neither the price(s) nor the amount of this bid, and neither the approximate price(s) nor the approximate amount of this bid, have been disclosed to any other firm or person who is a bidder or potential bidder, and they will not be disclosed before bid opening. No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, or to submit a bid higher than this bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid. The bid is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid. The bidder, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any government agency and have not in the last three years been convicted or found liable for any act prohibited by State or Federal law in any

jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract. The bidder understands that collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards.

19. CERTIFICATION REGARDING DEBARMENT The undersigned hereby certifies and swears that neither this vendor nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal or State department or agency.
20. CERTIFICATION REGARDING GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT OF 2006 The undersigned hereby certifies that the bidder and any subsequent subcontractors have registered with and are participating in a federal work authorization program as outlined in the O.C.G.A. 13-10-91.
21. INSURANCE The successful bidder shall supply to the school district proof of insurance for automobiles, workers' compensation, and general liability. The awarded contractor shall furnish to MCSD a current Certificate of Insurance. Insurance certificates will be reviewed by the MCSD Department of Risk Management. MCSD is a member of an interlocal risk management agency, the Georgia School Board Association (GSBA). GSBA Risk Management Services (RMS) offers protection through its group-self-insurance plans for workers' compensation, property, and liability risks. Provisions mandating the MCSD to purchase insurance, increase policy limits, or name the vendor or other third party as an additional insured party cannot be included in contracts with the MCSD. **Muscogee County School District must be shown as Additional Insured with respect to liability.** Attach a copy of the policy "Additional Insured" endorsement or state on the certificate that the policy has been specifically endorsed to provide coverage, including Defense Cost Coverage for Muscogee County School District as an Additional Insured. Professional Liability is excluded.

22. INDEMNIFICATION / HOLD HARMLESS CLAUSE: The MCS D cannot enter into an agreement whereby it agrees to indemnify or hold harmless a vendor or other third party. This language typically looks like “agrees to hold harmless from any liability, personal injury, or property damage arising out of the performance...” There are three legal principles that come into play here. First, indemnification provisions have been held by Georgia courts to be an unauthorized attempt to waive the State’s sovereign immunity. An opinion of the Georgia Attorney General (AG) counsels that an unauthorized attempt to waive sovereign immunity through an indemnification agreement in a contract would be ultra vires and void. 1980 Op. Atty. Gen. 80-67. The Georgia Supreme Court has held that an indemnification clause is invalid where the governmental entity didn’t have express statutory authority to waive its sovereign immunity. CSX Transp., Inc. v. City of Garden City, 588 S.E.2d 688 (Ga. 2003). Second, an indemnification violates Georgia’s Constitutional ban on gratuities. The Georgia Constitution does not allow any donation or gratuity or forgiving of any debt owed to the public. Ga. Const. Art. III, s VI, Para VI (a). The Georgia AG has issued an opinion expressly stating that indemnification provisions are gratuitous undertakings in violation of the gratuities clause. 1980 Op. Atty. Gen. 80-67. Third, the Georgia Constitution does not allow the credit of the state to be pledged or loaned to any individual, company, corporation, or association. Ga. Const. Art. VII s IV Para VIII. The AG has opined that the constitutional debt restriction does not allow any state agency from contractually agreeing to any indemnification or “hold harmless” clause. See 1980 Op., supra. An indemnification is open-ended in nature because, at the time of contracting, neither party knows if nor when it will be triggered. As such, it violates the debt restriction.
23. FORCE MAJEURE If the Muscogee County School District, in its reasonable discretion, determines that the Force Majeure event is likely to delay the Contractor’s performance for more than thirty (30) days, the Muscogee County School District reserves the right to cancel the agreement between the parties. In that event, neither party shall have any further liability to the other, subject only to the Muscogee County School District’s obligation to pay the Contractor for work already completed by the Contractor and the Contractor’s warranty for work already completed.
24. EXCEPTIONS To take exception to a provision of this Invitation to Bid, the Bidder must clearly identify the BID EXCEPTION when submitting the bid.
25. CONFIDENTIALITY:
MCS D and its student records are subject to the terms of The Family Educational Rights and Privacy Act (34 CFR § 99.33). If the vendor becomes privy to certain personally identifiable student information (“Student Information”), the vendor agrees to abide by the limitations on re-disclosure of any such Student Information, which constitutes an education record as defined in FERPA (34 CFR § 99.33 (a)(2)) and with the terms set forth below. 34 CFR 99.33 (a) (2) states that the officers, employees, and agents of a party that receive education record information from the MCS D may use the information, but only for the purposes for which the disclosure was made.
The parties acknowledge that such Student Information includes any paper and electronic Student Information as may be supplied by MCS D, as well as any data provided by MCS D’s students to the vendor. The vendor agrees to hold any Student Information in strict confidence. The vendor shall not use or disclose any Student Information received from or on behalf of MCS D (or its students) except as permitted or required by the Sales Agreement, as required by law, or as otherwise authorized in writing

by MCSD. The vendor agrees not to use any Student Information for any purpose other than the purpose for which the disclosure was made.

Upon termination, cancellation, expiration, or other conclusion of the Sales Agreement, the vendor shall return all education records or, if the return is not feasible, destroy any and all Student Information. If the vendor destroys the Student Information, the vendor shall provide MCSD with a certificate confirming the date of the destruction of the data.

If MCSD reasonably determines in good faith that the vendor has materially breached any of its obligations under this agreement, MCSD, in its sole discretion, shall have the right to require the vendor to submit to a plan of monitoring and reporting; provide the vendor with a fifteen (15) day period to cure the breach, or terminate the Sales Agreement immediately if cure is not possible. Before exercising any of these options, MCSD shall provide written notice to the vendor describing the violation and the action it intends to take. If the Family Policy Compliance Office of the U.S. Department of Education determines that the vendor improperly disclosed personally identifiable information obtained from MCSD's education records, MCSD may not allow the vendor access to education records for at least five years.

The vendor shall develop, implement, maintain and use appropriate administrative, technical, and physical security measures to preserve the confidentiality, integrity, and availability of all electronically maintained or transmitted Student Information received from, or on behalf of MCSD or its students. These measures will be extended by contract to all affiliates and subsidiaries of the vendor.

The vendor shall, within one day of discovery, report to MCSD any use or disclosure of Student Information not authorized by this agreement or in writing by MCSD. The vendor's report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the Student Information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what the vendor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action the vendor has taken or shall take to prevent future similar unauthorized use or disclosure. The vendor shall provide such other information, including a written report, as reasonably requested by MCSD.

The vendor shall defend and hold MCSD harmless from all claims, liabilities, damages, or judgments involving a third party, including MCSD's costs and attorney fees, which arise as a result of the vendor's failure to meet any of its obligations under this agreement.

26. OPEN RECORDS ACT: MCSD is subject to Georgia's Open Records Act at OCGA s 50-18-70, et. seq. This law allows individuals to view MCSD records [whether maintained electronically or through paper] and/or make copies unless the records are specifically exempted by the law. The law does contain specific language addressing valid trade secrets but requires specific action from the vendor to ensure confidentiality.

You are hereby notified by MCSD that it is the submitting party's obligation to indicate whether any of the information submitted to MCSD constitutes a "trade secret" as defined by law and if so, what specific information constitutes a "trade secret." The Georgia Open Records Act, as amended in April 2012, requires that any "trade secret" information be designated as such at the time it is provided to a governmental agency. The Act further indicates that a failure to make such a designation may result in a waiver of the right to subsequently claim that such information is confidential or otherwise protected from public disclosure.

OCGA 50-18-72 (a) (34). Specifically, OCGA 50-18-72 (a) (34) states in material part:

“(a) Public disclosure shall not be required for records that are:

(34) Any trade secrets obtained from a person or business entity that are required by law, regulation, bid, or request for proposal to be submitted to an agency. An entity submitting records containing trade secrets that wishes to keep such records confidential under this paragraph shall submit and attach to the records an affidavit affirmatively declaring that specific information in the records constitutes trade secrets pursuant to Article 27 of Chapter 1 of Title 10. If such entity attaches such an affidavit, before producing such records in response to a request under this article, the agency shall notify the entity of its

intention to produce such records as set forth in this paragraph. If the agency makes a determination that the specifically identified information does not, in fact, constitute a trade secret, it shall notify the entity submitting the affidavit of its intent to disclose the information within ten days unless prohibited from doing so by an appropriate court order. In the event the entity wishes to prevent disclosure of the requested records, the entity may file an action in a superior court to obtain an order that the requested records are trade secrets exempt from disclosure. The entity filing such action shall serve the requestor with a copy of its court filing. If the agency makes a determination that the specifically identified information does constitute a trade secret, the agency shall withhold the records, and the requester may file an action in a superior court to obtain an order that the requested records are not trade secrets and are subject to disclosure;”

27. **COMPLIANCE WITH LAWS** The successful proposer shall procure all permits, bonds, and licenses, pay all charges, taxes, and fees, and give all notices necessary and incidental to the due and lawful prosecution of the work. All costs thereof shall be deemed to be included in the proposal price. The successful proposer shall, at all times, observe and comply with all Federal, State, City, and other laws, codes, ordinances, rules, and regulations in any manner affecting the conduct of the work.
28. **MCSO REQUIREMENTS-** Muscogee County School District intends to continue some school business functions during the project.
 - A. The contractor must coordinate the service schedule with a representative from School Nutrition. This project must not interfere with any school business function.
 - B. Proposers shall carefully examine the worksite to obtain first-hand knowledge of existing conditions.
 - C. School District Regulations - The contractor shall follow all applicable Muscogee County School District regulations while on Muscogee County School District property, including the no alcohol, no tobacco products, no weapons, no idling, and drug-free policies.
29. The vendor shall protect all buildings, trees, shrubs, lawns, and all landscape work from damage. Any damaged property shall be repaired and replaced at the vendor’s expense. Additionally, the vendor shall protect all private roads, streets, and sidewalks, driveway aprons, driveways, and shall make all necessary repairs at their own expense. The Vendor shall be responsible for any damage done while operating on MCSO property. Damage must be reported within 24 hours to the School Nutrition Department. Failure to do this may result in the termination of the contract/services. Damage must be repaired or replaced within a reasonable time.

Muscogee County School District Terms and Conditions Specific to the School Nutrition Program

1. **Debarred, Suspended, and Ineligible Status.** The Muscogee County School District shall solicit offers from, award contracts to, and consent to subcontracts with responsible vendors and/or principals only. The serious nature of debarment and suspension requires that sanctions be imposed only in the public interest for the Government's protection and not for purposes of punishment. Institutions shall impose debarment or suspension to protect the Government's interest and only for the causes and in accordance with the procedures set forth in 2 CFR 200.213.

The vendor certifies that the vendor and/or any of its sub-vendors or principals have not been debarred, suspended, or declared ineligible by any agency of the State of Georgia or any agency of the Federal government or as defined in the 2 CFR 200.213 which states “Non-federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 CFR part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.” The vendor will immediately notify the School Food Authority if the vendor is debarred or placed on the Consolidated List of Debarred, Suspended, and Ineligible Vendors by a federal entity. **See Attachment A.**

By signing this agreement, the vendor is testifying that they are not debarred, suspended, or has any ineligible or voluntary exclusions with the U.S. Department of Agriculture or any other Federal or State Agency. All responses will be verified. Debarment and Suspension (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the Governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

2. Contract Extension. In the event that this Standard Contract shall terminate or be likely to terminate prior to the making of an award for a new contract for the identified goods and services, the Muscogee County School District may, with the written consent of the Contractor, extend this Contract for such period as may be necessary to afford the Muscogee County School District a continuous supply of the identified goods and services. Pursuant to O.C.G.A. Section 50-5-64, this Contract shall not be deemed to create a debt of the State for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal.

3. Buy American Act - 7 CFR 210.21 (d)

The vendor must comply with the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Buy American Act:7 CFR 210.21(d)) which requires schools and institutions participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the NSLP and SBP.

Buy American:

- (1) Definition of domestic commodity or product. The term 'domestic commodity or product' means:
- (i) An agricultural commodity that is produced in the United States; and
 - (ii) A food product that is processed in the United States substantially using agricultural commodities that are produced in the United States. Substantial means over 51% of the final processed product consists of agricultural commodities that were grown domestically. Products from Guam, American Samoa, the Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards SFAs must comply with when purchasing commercial food products served in the school meals programs. Exceptions to the Buy American provision are very limited; however, an alternative or exception may be approved by the SFA upon request. To be considered for an alternative or exception, the request must be submitted in writing to the SFA, a minimum of 24 hours in advance of delivery. The request must include:

- (1) Alternative substitute(s) that are domestic and meet the required specifications:
 - (a) Price of the domestic food alternative substitute(s); and
 - (b) Availability of the domestic alternative substitute(s) in relation to the quantity ordered.
- (2) Reason for exception: limited/lack of availability or price (include price):
 - (a) Price of the domestic food product; and
 - (b) Price of the non-domestic product that meets the required specification of the domestic product.

and employees harmless from and against any and all claims for bodily injury or death, damage to property, demands, damages, actions, causes of action, suits, losses, judgments, obligations, and any liabilities, costs, and expenses (including, but not limited to, attorneys' fees and costs), which arise or are in any way connected with the services contemplated by Contractor under this Agreement or the actions of Contractor's officers, employees, or agents.

20. **Compliance with MCSD Policies:** Contractor and any of its employees and agents shall, at all times during the term hereof and during the performance of services hereunder, comply with MCSD policies, procedures, regulations, and directives, as modified from time to time, including but not limited to policies and procedures regarding mandatory reporting. These policies are available at <https://simbli.eboardsolutions.com/index.aspx?s=4121> and must be reviewed prior to the commencement of any work.

21. **Attorneys' Fees:** Should the MCSD be the prevailing party in any legal action with Contractor arising out of this Agreement or the services performed hereunder, then in such event, the MCSD shall be entitled to recover its reasonable attorneys' fees and costs from Contractor.

22. **Force Majeure:** Parties' obligations to perform shall be excused if rendered impossible as a result of serious illness, death, or injury, accident, fire, riot, pandemic, or other manifestation of civil disorder; an act, rule, or regulation of any public authority or Court of competent jurisdiction; and/or an act of God, or any other event completely beyond the reasonable control of either party. Either party may terminate this agreement with no further obligation or liability if a Force Majeure Event causes substantial interruption or continues substantially uninterrupted for a period of thirty (30) days or more.

Contractor agrees that there is no obligation on the part of MCSD to pay for any goods not provided or services not rendered regardless of whether the failure to provide such goods or services was the result of a Force Majeure/Act of God

23. **Sovereign Immunity:** MCSD is a state agency and may not waive its Sovereign Immunity or agree to indemnify or hold harmless another party. The only liability MCSD may incur is that which is expressly provided for by Georgia law and is not enlarged by this Agreement.

24. **Disclosures:** Contractor will disclose to MCSD the existence of any actions, suits, proceedings, claims or disputes, pending or threatened or contemplated, at law, in equity, in arbitration or before any Governmental or Regulatory Agency, whether under current business name or designation or a prior business name or designation. Traffic and parking citations do not need to be disclosed. This disclosure will be made prior to any performance under the Agreement.

25. **Background Investigation:** MCSD requires a criminal background investigation of Contractor's personnel that may provide services on MCSD property. Contractor represents and warrants that it shall not assign personnel to any task under this Agreement if that individual's background check does not satisfy the current expectations and requirements of the MCSD Division of Human Resources. Contractor further warrants that if an individual's status changes due to an arrest or any other legal action, Contractor will immediately notify MCSD's Division of Human Resources to collaborate on the response. MCSD background check requirements include a criminal background check that includes fingerprinting.

26. **Non-Collusion:** Contractor certifies that its proposal, bid or offer is made without any prior understanding, agreement, or connection with any corporation, firm or person submitting a proposal, bid or offer for the same materials, supplies or equipment, and is in all respect fair and without collusion or fraud.

c) **Confidentiality** – Contractor may have access to confidential information maintained by MCS D or access to MCS D computers, hardware, software programs, and / or information technology infrastructure or hard copy data or records, where such access is needed to carry out Contractor’s duties; Contractor shall presume all information received is confidential unless otherwise designated by the MCS D and Contractor will implement and maintain an information security program to safeguard any such information received. Access shall be terminated at the sole discretion of the MCS D. Contractor shall notify the MCS D immediately if it suspects abuse or misuse of such access. No confidential information shall be disseminated except as authorized by law and with the prior written consent of the MCS D, either during the period of the Agreement or at any time thereafter. Any information supplied to Contractor shall be considered the property of the MCS D. Contractor must return any and all data collected, maintained, created, or used, in whatever form it is maintained, within a reasonable time from the request of the MCS D. Upon expiration of the Agreement, Contractor shall destroy all personally identifiable information received from the District pursuant to this Agreement. In the event that MCSD is required to furnish information or records pursuant to the Georgia Public Records laws, Contractor shall furnish such information and records to MCSD, and MCSD shall have the right to release such information and records.

Instructions for Certification

- (1) By signing and submitting this form, the prospective primary participant is providing the certification set out on page 1 in accordance with these instructions.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant must submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the Department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation will disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when the Department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.
- (4) The prospective primary participant must provide immediate written notice to the Department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 CFR Parts 180 and 417. You may contact the Department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- (6) The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it may not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department or agency entering into this transaction.
- (7) The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the Department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the General Services Administration's System for Award Management Exclusions database.
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.
